Jaffe Named Vice President of Eastport

Waltham, MA - Eastport Real Estate Services, Inc. of Waltham recently announced the appointment of Michael Jaffe as a Vice President of the company. Jaffe has been with Eastport for nine years. His responsibilities include the property management of a commercial portfolio of 17 buildings and the coordination of the firm's leasing programs.

Over the past several years Jaffe has represented tenants on an exclusive basis, including Tossed (fast casual dining), Certeon (computer hardware) and Coresecure (software and internet solutions). He has also been involved in the sales of 92 Blandin Avenue, Framingham and 230 Second Avenue, Waltham, and the procurement of several Mulberry Child Care development sites. Previously, Jaffe was a Property Manager for RAS Companies and The Codman Company. He resides in West Peabody.

Eastport Real Estate Services owns and manages multi-tenant office, industrial and retail properties throughout the Greater Boston area, in addition to providing brokerage services for both landlords and tenants.
